

DOWNTOWN LAKELAND

URGENT!

Help Us Clear the List!

*The Christmas Blessing Store is just **one week away**, and we still need your help! We have more gifts to collect before next Sunday so we can provide Christmas gifts for every child whose family we serve. Our greatest needs right now are **bikes and helmets, $5–$25 gift cards, and gifts for elementary children and teenagers.***

*Please take a few minutes this week to review the insert and shop our **Amazon wish list** or take the in-store shopping list and pick up a few extra gifts. We're counting on the generosity of our church family to help us meet these needs before the store opens!*

***Help us clear the list** before next Sunday!*

DECEMBER 1

Advent

*As we enter the Advent season, join us in preparing our hearts to celebrate the birth of Jesus. Take time to slow down, reflect on the promises of God, and remember the hope, peace, joy, and love we have in Christ. **Pick up an Advent devotional at Guest Central** today or access it online at golakeschurch.com/advent. We hope you'll join us!*
