

<b>Job Title</b>	<i>Lighting/Stage Designer</i>
<b>Reports to</b>	<i>Technical Director</i>
<b>Full Time</b>	<b>40 hours per week. Non-Exempt. Sundays, holidays, and events as required.</b>
<b>Pay</b>	<b>\$20-\$26/hr. Based on experience</b>

### Job purpose

The Lighting Designer will oversee all lighting, scenic, and visual creative elements for weekly services and special events at Lakes Church. They will have a passion for “connecting the audience to the stage” through creative lighting design. This role will support our Mission Statement, *“To glorify God by staying tethered to Christ through His Word and reaching Central Florida with the Gospel by turning members into missionaries.”*

### Duties and responsibilities

- Testimony that demonstrates Christian faith and commitment to the Christian life.
- Theology consistent with the Baptist Faith and Message, 2000.
- Oversee all lighting requirements for recurring weekly live services, generally Sunday mornings as well as Wednesday evenings. Will support additional Special Events as needed.
- Support the Production Team as the lighting expert, providing recommendations and insight to Production Team initiatives.
- Oversee the proper operation of lighting equipment, ensuring all components are properly used and maintained.
- Assist in the training of Production Team members.

### Qualifications

- At least 5 years’ experience in lighting design for live events.
- Experience with lighting control systems, including network protocols, power load calculations, and proper use of color space/gamut in a multimedia environment.
- Knowledge of theatrical and production lighting systems and their use in a worship environment.
- Experience with Hog and Onyx lighting consoles.

### Preferred Skills

- Experience on a full-time production team, preferably in a ministry environment.
- Touring and/or theatrical lighting experience.
- Vectorworks certification or working towards certification.
- Thrives in a fast-paced production environment.
- Avid problem solver with the heart of a teacher.

### Direct reports

The Lighting Designer works under the supervision of the Technical Director and is accountable to the Senior Pastor, Executive Leadership, and the Personnel Committee of Lakes Church.
